

**INFORMATIONAL MEETING:
WED., MAY 6 @ 12:30 P.M.
BLACKFOOT ROOM (GOB)
PIZZA AND SODA!**

What can you **CAN**struct?

What is Canstruction?

Canstruction is a design/build competition currently held in cities throughout North America. Teams compete to design and build giant structures made entirely from full cans of food. Since its inception, over 10 million pounds of food have been donated to aid in the fight against hunger.

The Montana Food Bank Network is coordinating the first annual Canstruction event this coming July. The Dennis and Phyllis Washington Foundation would like to enter two Washington Companies teams. Although only 5 people can be building at one time, we would like to have as many people participate as possible in the preparation process.

How do I get involved?

Please join us for an informational meeting/sign up session Wednesday, May 6 at 12:30 in the Blackfoot Room (GOB). We need volunteers of varying ability and skills. Come learn more about how you can contribute to this exciting volunteer project! If you are unable to attend, please email or call Morgan at mjohnson@washcorp.com or 523-1383.

Where can I find out more about Canstruction?

For more information and for complete rules, visit www.dpwfoundation.org and click on the Employees section.
