Pete Steilman  
c/o Montana Resources  
600 Shields Ave.  
Butte, MT 59701

Pete,

On behalf of the Butte-Silver Bow Fire Department and our Car Seat Program, I would just like to sincerely thank you and Montana Resources for their generous donation.

Montana Resources has always been a supporter of our program, and our end goal of making travel safer for all children.

Our program has helped hundreds of children and their families over the last 20 plus years, and it is with donations like this one that we will be able to continue to do that for the foreseeable future.

This donation will allow us to purchase an additional 10 car seats for our program, ensuring at least that many more children will be safer because of your kind and much needed donation.

Thank you again for your continued support and I also thank you for the children that will certainly be safer because of this.

Sincerely,

Marc J. Lee, Captain/Butte-Silver Bow Fire Dept  
State of Montana Car Seat instructor  
Butte-Silver Bow Fire Dept. Car Seat Coordinator
